SKILLS

- Python
- Java
- Flutter
- React JS
- HTML & CSS
- REST APIs
- JavaScript
- MySQL
- Git/GitHub
- Problem-Solving & Debugging

EDUCATION

The New College

Bachelors of Computer Applications

2021-2024 CGPA : 8.0

SRM Institute of Science and Technology

Master's of Computer Applications

2024-2026 CGPA : 9.2

CORE COMPETENCIES

- Software Development Life Cycle (SDLC)
- Clean Code & Best Practice
- UI/UX Understanding
- API Design & Integration Workflow
- Cross-Platform Application Development
- Version Control Workflow (Branching, PRs, Code Reviews)

PROFILE

MCA student and aspiring Full-Stack Developer with practical experience in **Flutter, MERN, and Python**. Skilled in building **scalable apps, integrating APIs**, and creating **clean, user-focused interfaces**. Strong problem-solver with hands-on project experience in **mobile apps, healthcare platforms, and ML-backed features**. Seeking an opportunity to contribute to a dynamic development team.

PROJECTS

Sujoydly – Flutter Mobile Application

01/2025 - Present

TECHNOLOGIES USED: Flutter, Dart, Firebase (Auth/Firestore), REST APIs

- Developed a cross-platform mobile app providing **prayer timings, Qibla direction, adhkar, and recitation features**.
- Implemented **location-based** prayer time calculations and integrated REST APIs for **accurate religious data**.

HealthBridge

09/2025 - 12/2025

TECHNOLOGIES USED: MERN Stack, Flask/ML (Symptom Checker), JWT Auth

- Created a full-stack web application for **doctor appointment scheduling** and symptom analysis.
- Implemented an **ML-based symptom checker** using Flask to provide preliminary health insights.

WORK EXPERIENCE

Software Intern - Delq Solutions

02/2025 - 04/2025

- Developed and deployed** the company website and a client photography platform with **dynamic galleries, pricing sections, and secure password-protected client areas**, significantly improving brand visibility and user experience.
- Delivered **multiple web projects** within tight deadlines by gathering **client requirements, implementing scalable solutions**, and ensuring high-quality, maintainable code using **modern web tools and version control**.

ACHIEVEMENTS

AWS Graduate

AWS Cloud Practitioner
